### ***Free Market Road Show - A multitude looking for freedom in Thessaloniki***

*The Free Market Diaries* shares the best insights, topics, and news live straight from the heart of Vienna.

Last month whilst on the road with the Free Market Road Show, Mr Fernandez (AEC Senior Fellow and Creator of *The Free Market Diaries*) wrote a post outlining the incredible attendance and hope that the citizens of Thessaloniki brought to the FMRS event. ### ***Recap on Thomas Patrick Burke's presentation 'Traditional Justice vs Social Justice' in Vienna***

Founder of the Wynnewood Institute, Professor Patrick Burke, was in Vienna recently and gave a presentation entitled *Traditional Justice vs Social Justice*. Stephane Kouasse was there and has written a recap for those who missed it (or wanted to re-live the presentation!). To read more, [click here](#).

### ***ESFL Conference 2015: Save People Dying at Sea? No State Needed***

On the 10th to the 12th of April, Bohumir Zidek attended the European Students for Liberty in Berlin, Germany. This year's schedule featured a lot of interesting lecturers, including self-described "Old Whig", Daniel Hannan, the Danish journalist responsible for publishing of controversial Prophet Muhammad's cartoons in 2005, Flemming Rose, and the man who ended Orban's two-thirds majority in Hungary, Zoltan Kesz.

### ***Recap: Special CRCM Meeting in Jerusalem***

In May, a special Center Right Coalition Meeting was held in Jerusalem - the first of its kind in the country. Top Israeli think tanks and prestigious scholars were in attendance. The event was an excellent opportunity to discuss common problems, share strategies, and debate the most pressing issues the center right movement is facing.
